

Mistral 650/900 eX6

IN-LINE 650 & 900 VA UPS

Up to
20 min
Backup Time

The Schuko Sockets UPS

Mistral eX6 offers 6 easily reachable Schuko (German) sockets for easy computer and peripherals plugging. It protects connected devices against blackouts, micro cuts, low and high voltages thanks to its in-line technology and its automatic voltage regulation system (AVR). The RJ11 connector protects the telephone/ADSL lines. An USB port allows communication with a software installed on the computer ensuring automatic shutdown in case of long blackouts.

Schuko: European Sockets

Schuko sockets are compatible with plugs of the following type: **French, German, Portuguese & Spanish.**

- **IN-LINE Technology**
- **Automatic Voltage Regulation (AVR)**
- **Microprocessor controlled**
- **Auto-restart function**
- **3 UPS & surge protection sockets**
- **3 surge protection sockets**
- **Tel./Fax/Modem/ADSL (RJ11)**
- **USB communication**
- **Cables and software INCLUDED**

MODEL	Mistral 650 eX6	Mistral 900 eX6
Power	350 VA / 326 W	900 VA / 450 W
Technology	IN-LINE	
Wave form	Simulated sine-wave	
INPUT		
Nominale voltage	230 V	
Voltage range	±25%	
Frequency	50Hz	
Surge protection	125 J	
EMI/RFI filter	Yes	
Protection	Circuit breaker	
OUTPUT		
Nominal voltage	230 V	
Voltage range	±10%	
Transfer time	< 6 ms	
Backup time	up to 20 min.	
Sockets	3x Schuko : UPS & surge protected 3x Schuko : surge protected	
Telephone / fax / modem protection	RJ11	
Battery	12V, 7 Ah	12V, 8.5 Ah
Communication	USB	
Software	included	
Guaranty	2 years (batterie 1 year)	
Net Weight	6 kg	6.5 kg
Dimensions	280 × 170 × 80 mm	
Gencod	3 760157 322130	3 760157 322147
